

Japanese Border Measures after 00:00 JST on September 7th, 2022.

The new measures will apply to cross-border travelers and returnees who board an aircraft with an estimated time of arrival after 00:00 JST on September 7th, 2022.

1. Vaccinate Certificate (3doses)

Country or region of your stay before arrival	Valid vaccination certificate	Quarantine		
		Pre-departure test	On-arrival test	Isolation
 BLUE	with	not required	-	-
	without	required		
 YELLOW	with	not required	-	-
	without	required	required	3days at home *1
 RED	with	not required	required	3days at home *1
	without	required	required	3days at facility *2

*1 Your isolation will be terminated if Covid-19 test is negative on the third day of isolation. You will be required quarantine for a total of 5 days if you do not take the test.

*2 Your isolation will be terminated if Covid-19 test is negative on the third day of isolation at the facility.

All cross-border travelers and returnees who **do not obtain** valid vaccination certificate (3 doses) will be required to obtain negative certificate of testing for COVID-19 within 72 hours before departure from the foreign country.

2. Required a responsible party to accept the foreign visitors

- 1) All travelers and business visitors are required to have a responsible party to accept the foreign visitors for whole travel periods, such as the invite company or organization or a licensed travel agency etc.
- 2) Package tours which the travel agency etc has the responsibility for ensure their travelers to follow the terms of Japanese travel guideline will be allowed even without an escort (guide), and the covered countries/regions are expanded to all countries/regions.
